

Subject: Please Support SEERA in COMPETES Act

Topic: International Affairs / International Relations / Foreign Affairs

As your constituent, I am writing to ask that you support the inclusion of the Secure E-Waste Export and Recycling Act (SEERA — H.R. 3036) as part of Congress' finalized BIPARTISAN INNOVATION ACT. This legislation lies at a nexus of priorities for this Congress: protecting national security, enforcing environmental standards, competing with China, and supporting domestic industry.

By way of background, SEERA was included in the America COMPETES Act (H.R. 4521, Section 30612), which was passed by the House of Representatives in February 2022. The Senate passed a companion bill, USICA, without the SEERA language.

As the House and Senate conference the bills (USICA and COMPETES Act), I hope that you will connect with conferees, as well as well as House and Senate leadership, to express your support for SEERA on our behalf. Thank you for your consideration and advocacy for this important legislation.
